Failure to examine any relevant document or provision thereof will not relieve the successful respondent from any obligation under this bid. Qualified organizations are invited to prepare an offer in response to this document and in doing so, concur with all terms, conditions, specifications and addenda to this bid unless specifically noted otherwise in a separate section titled "EXCEPTIONS".

- 1.2 **MANDATORY PRE-BID MEETING.** A mandatory pre-bid meeting and walk-through opportunity will be held at **9:00 a.m. on Monday, February 29**. - 1.3 **QUESTIONS, REQUESTS FOR CLARIFICATION OR INTERPRETATION.** As of the issuance date of this RFP and continuing until the final date for acceptance of submissions, all respondents are specifically directed not to discuss, hold meetings, conferences, or technical discussions with any County employee for the purpose of responding to this solicitation except as otherwise permitted by this bid document. Respondents should not otherwise ask any County officials or employees questions about the bid or related issues, either orally or by written communication. However, in order to maintain a fair and equitable bid process, all respondents will be advised of any questions submitted, the County's response, and any other pertinent information related to this solicitation via the issuance of addenda, which will be posted at www.colecountypurchasing.org. An addendum may contain information that could affect bid responses. Interested parties may sign up, on a bid-by-bid basis, to be notified via email of issued addenda by going to the information page of any active bid at www.colecountypurchasing.org and submitting a valid email address at the bottom of the page under the "Bid Specifications & Plans" section.

All issued addenda are incorporated by reference as if fully set out herein. Respondents are cautioned that the only official position of Cole County is that which is issued by Cole County in these specifications or by addendum/amendment thereto. No other means of communication, whether written or oral, shall be construed as a formal or official response or statement. The County assumes no liability if a respondent fails to incorporate addenda into their bid. Failure to have requested an addendum covering any questions affecting the interpretation of these specifications shall not relieve the awarded party from delivering the completed project, product and/or service in accordance with the intent of these specifications.

- 1.5 **SUBMISSION REQUIREMENTS.** A fully executed bid, including the specification pages comprising this invitation and any related illustrative documentation, **shall be submitted in a sealed envelope identified by bid number, bid title, and bid opening date/time; shall be complete and signed by an official authorized to obligate the agency or company submitting the bid; and shall include one (1) complete original bid and two (2) exact duplicates.**

2.0 TERMS AND CONDITIONS

- 2.1 **INCURRING COSTS.** Cole County shall not pay for any information requested herein nor be obligated or liable for any cost incurred by any respondent in submitting a response.
- 2.2 **RESERVATIONS.** The right is hereby reserved to reject any or all submissions for any reason, in part or in whole, received in response to this solicitation; to waive or not waive informalities or irregularities in any response or the bidding procedures; to request supplementary information from respondents as determined necessary to effectively evaluate responses; to cancel this solicitation, advertise for new and/or purchase off of cooperative purchasing contract(s); and to accept, request clarification or further negotiate the terms, conditions and/or methodology of any response if, in Cole County's sole judgment, the best interests of Cole County will be so served.
- 2.3 **MODIFICATION/WITHDRAWAL.** Receipt of written notice or an in-person request from a properly identified individual prior to the official date and time set for bid opening must occur in order to modify or withdraw a submission which has been delivered to the office of the Cole County Commission.
- 2.4 **VALIDITY.** Respondents agree that submissions will remain valid for consideration by the County for a minimum period of ninety (90) calendar days after the date specified for bid opening.

- 2.5 **RESPONSE MATERIAL OWNERSHIP.** All material submitted in response to this solicitation becomes the property of Cole County and may be disclosed upon proper Sunshine Law request per 610.021(12) RSMo.
- 2.6 **EXCEPTIONS.** The wording of this solicitation may not be changed or altered in any manner. Taking exception to any clause in part or in whole does not necessarily disqualify a respondent. Any such exception shall be clearly identified and described in full detail in the respondent's submission. Exceptions will be evaluated and accepted or rejected by Cole County, whose decision shall be final and conclusive. In the absence of such declaration(s), the response shall be accepted as in strict compliance with all terms, conditions, and specifications requested and the awarded party shall be held responsible for providing the product or service accordingly.
- 2.7 **RESTRICTIVE LANGUAGE.** It shall be the responsibility of respondents to ask questions, request changes or clarification, or otherwise advise Cole County if any language, specification or requirement of this solicitation appear to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit responses to a single source. Such notification must be directed to info@colecountypurchasing.org and received at least five (5) business days prior to the date set for bid opening.
- 2.8 **INTERPRETATION.** If the bidder has any questions which arise concerning the true meaning or intent of the Plans, Specifications or any part thereof, which affect the cost, quality, quantity, or character of the project or service, he shall request in writing that an interpretation be made and an addendum be issued which shall then be posted at www.colecountypurchasing.org. Failure to have requested an addendum covering any questions affecting the interpretations of the Plans and Specifications shall not relieve the successful respondent from delivering the product, service or completed project in accordance with the intent of the Plans and Specifications. Should any differences arise as to the meaning or intent of these specifications, Cole County's interpretation shall be final and conclusive.
- 2.9 **EQUIVALENT MATERIAL/EQUIPMENT.** Any listed manufacturer/model number(s) or a definite reference to a particular item or piece of equipment is intended to establish a minimally acceptable design, type, quality, functional capacity, and/or desired performance level. It is to be understood that any equivalent alternate which will perform adequately the duties imposed by the general design may be proposed and bid so long as sufficient details necessary to establish equivalency are included in the submission. Acceptance is subject to approval of the County which may request further information, sample(s) and/or a demonstration prior to bid award. Cole County shall be the sole judge of equivalency.
- 2.10 **LIKE OR SIMILAR PRODUCT.** Cole County reserves the right, at its sole discretion, to obtain like or similar product(s) to that which has been specified herein when use of such product is deemed in the best interest of the County.
- 2.11 **QUALIFICATIONS OF RESPONDENTS.** Cole County may make such investigations as deemed necessary to determine the ability of any respondent to provide the product and/or service described herein. Respondent shall furnish to the County all such information and data for this purpose that the County may request. The County reserves the right to reject any submission if the evidence submitted by the respondent or investigation of such respondent fails to satisfy the County that such respondent is properly qualified to carry out the obligations of the contract and/or to complete the work contemplated herein.
- 2.12 **PRICES.** Prices must be stated in units of quantity specified and must be firm.

- 2.13 **DEFAULT.** In case of default by the bidder or contractor, the County of COLE will procure the articles or services from other sources and hold the bidder or contractor responsible for any excess cost occasioned thereby.
- 2.14 **CANCELLATION.** The County reserves the right to cancel any or all of an order or contract if delivery is not made or work is not started as guaranteed. In case of delay, the Contractor must contact the County to notify of said delay and arrange an alternate schedule if agreeable to the County.
- 2.15 **TAX EXEMPTION.** Cole County is funded by public monies and as such has been approved by the State of Missouri for sales/use tax-exempt status. The Missouri tax identification number and certificate is available to the awarded party upon request.
- 2.16 **ACCEPTANCE.** No equipment, supplies, materials and/or services received by Cole County pursuant to this solicitation shall be deemed accepted until the County has had reasonable opportunity to inspect. Cole County reserves the right to reject anything that does not comply with reasonable expectations based on the specifications outlined herein.
- 2.17 **DELIVERY.** The delivery date(s) or when work will start shall be stated in definite terms as they may be taken into consideration when making award. Cole County reserves the right to cancel all or any part of an order if delivery is not made or work not started as guaranteed.
- 2.18 **SHIPMENTS.** All shipments shall be F.O.B. destination, freight prepaid.
- 2.19 **APPLICABLE LAW.** In submitting a bid, the respondent warrants that it has complied with all applicable laws, rules and ordinances of the United States, Missouri or any other governmental authority or agency in providing the product(s) or service(s) specified herein. Any contract resulting from this solicitation is to be interpreted by the laws of Missouri. The parties agree that the proper forum for litigation arising out of the contract resulting from this solicitation is Cole County, Missouri.
- 2.20 **EVALUATION.** The County's sole purpose in the evaluation process is to determine from among the responses received which one is best suited to meet the County's needs at the lowest possible cost. Any final analysis or weighted point score does not imply that one Bidder is superior to another, but simply that in our judgment the Contractor selected appears to offer the best overall solution for our current and anticipated needs at the lowest possible cost.
- 2.21 **BASIS OF AWARD.** Award shall be made to the lowest responsible bidder(s) whose offer best responds to the quality, capacity, and service requirements of Cole County, as determined by the County. Award may be made on an item-by-item basis to the lowest and best bids or award may be made to the lowest and best bid overall, whichever the County determines is in its best interest.
- 2.22 **PREFERENCE.** In making bid awards, Cole County shall give preference to all firms, corporations, or individuals that maintain office or places of business within the County of COLE when the quality of the commodity or performance promised is equal or better and the price quoted is the same or less.
- 2.23 **INSURANCE REQUIREMENTS.** The Successful Contractor shall purchase and maintain in force, at its own expense and with an insurance company licensed to do business in the State of Missouri, such insurance as will protect Contractor from claims which may arise out of or result from the execution of the work under the contract resulting from this Request for Bid, whether such execution be by him/herself, his/her employees, agents, or by anyone for whose acts he/she may be liable. If any such work covered under the Contract is to be performed on County-owned or leased premises, the Vendor agrees to carry liability and workman's compensation insurance, satisfactory to the County, and to indemnify the County against all liability, loss, and damage arising out of any injuries to persons and property caused by the Vendor, his sub-contractors, employees or agents.

The insurance coverage shall be such as to fully protect the County and the general public from claims for injury and damage resulting by any actions on the part of the Successful Bidder as enumerated above. All policies must name the County as an additional insured and provide thirty (30) days written notification to the County prior to any material changes or cancellation.

- 2.24 **COOPERATIVE PROCUREMENT.** Various State Agencies, City and County Offices, the City of Jefferson and/or other Cities within the boundaries of Cole County may or may not request an unknown quantity of goods or services under this bid during the bid period or resulting agreement period at the same prices, terms and conditions stated herein.

It is agreed and understood that each participating political subdivision will make its own separate contract with the successful bidder, that each participating political subdivision shall only be liable to the successful bidder for materials or supplies contracted for by each political subdivision without any liability for purchases contracted for by any other participating political subdivision, and each successful bidder shall be required to bill each participating political subdivision directly for those materials or supplies for which it has purchased.

In the event of any dispute between a political subdivision and a successful bidder arising after a contract of purchase has been executed, such dispute shall be handled by and between the particular political subdivision affected and the contractor.

- 2.25 **CONTRACT TERMINATION.**

2.25.1 **TERMINATION FOR DEFAULT.** If, through any cause, the awarded party shall fail to fulfill, in a timely and proper manner, its obligations under the contract resulting from this solicitation, or if the awarded party shall violate any of the covenants, agreements, or stipulations of said contract, Cole County shall thereupon have the right to terminate this contract for cause by giving written notice to the awarded party of its intent to terminate and at least ten (10) calendar days to cure the default or show cause why termination is otherwise not appropriate. In the event of termination, all finished or unfinished documents, data, studies, survey, drawings, maps, models, photographs, and reports or other material prepared by the awarded party under this contract shall, at the option of Cole County, become its property, and the awarded party shall be entitled to receive just and equitable compensation for any services and supplies delivered and accepted. The awarded party shall be obligated to return any payment advanced under the provisions of this contract.

Notwithstanding, the awarded party shall not be relieved of liability to Cole County any damages sustained by the County by virtue of any breach of the contract by the awarded party, and the County may withhold any payment to the awarded party for the purpose of mitigating its damages until such time as the exact amount of damages due the County from the awarded party is determined.

If after such termination it is determined, for any reason, that the awarded party was not in default, or that the awarded party's action/inaction was excusable, such termination shall be treated as a termination for convenience.

2.25.2 **TERMINATION FOR CONVENIENCE.** The performance of work under the contract resulting from this solicitation may be terminated by Cole County in whole or in part at such time that the Cole County Commission determines that such termination is in the best interest of Cole County. Any such termination will be affected by delivery to the awarded party of a letter of termination specifying the extent to which performance of work under the contract is terminated and the date upon which such termination is effective.

After receipt of a termination letter the awarded party will:

- Stop work on the contract on the date and to the extent specified in the letter.
- Place no further orders for materials, services or facilities except as may be necessary to complete any portions of the work under contract not terminated.
- Complete on schedule such part of the work as will not be terminated.

2.26 **LIQUIDATED DAMAGES.** The Cole County Commission may, at its discretion, deduct **One Hundred Dollars (\$100.00)** per day from any amount otherwise due under this contract for every day Contractor fails or refuses to prosecute the work, or any separable part thereof, with such diligence as will insure the completion by the date above specified, or any extension thereof, or fails to complete the work by such time, as long as the County does not terminate the right of Contractor to proceed or otherwise delay the Contractor's schedule. It is further provided that Contractor shall not be charged with liquidated damages because of delays in the completion of the work due to unforeseeable causes beyond Contractor's control and without fault or negligence on Contractor's part or the part of its agents.

2.27 **PREVAILING WAGE/LABOR STANDARDS.**

2.27.1 **PREVAILING HOURLY RATE OF WAGES.** The principal contractor and all subcontractors shall pay not less than prevailing hourly rate of wages for each craft or type of workman required to execute this contract as determined by the Department of Labor and Industrial Relations of Missouri as set out in Wage Order 22, attached to and made part of these specifications. (Section 290.250 RSMo) The Contractor will forfeit a penalty to the County of \$100 per day (or portion of the day) for each worker that is paid less than prevailing rate for any work done under the contract by the Contractor or by any subcontractor. (Section 290.250 RSMo)

2.27.2 **SAFETY TRAINING.** The Contractor and all subcontractors must require all on-site employees to complete the ten hour OSHA safety training program required under Section 292.675, RSMo, if they have not previously completed the program and have documentation of having done so. The Contractor will forfeit a penalty to the County of \$2500 plus an additional \$100 for each employee employed by the Contractor or subcontractor, for each calendar day or portion thereof, such employee is employed without the required training (Section 292.675 RSMo)

2.27.3 **EXCESSIVE UNEMPLOYMENT.** During periods of excessive unemployment (any month immediately following two consecutive calendar months during which the level of unemployment in the State has exceeded five percent as measured by the United States Bureau of Labor Statistics) only Missouri laborers (persons who have resided in Missouri for at least thirty days and intend to become or remain Missouri residents) and laborers from nonrestrictive states (persons who are residents of a state which has not enacted state laws restricting Missouri laborers from working on public projects in that state, as determined by the Labor and Industrial Relations Commission), may be employed under the contract, except that other laborers may be used when Missouri laborers or laborers from nonrestrictive states are not available or are incapable of performing the particular type of work involved, if so certified by the contractor and approved by the contracting officer.

Every transient employer, as defined in section 285.230, RSMo, enclosed in the laws section, must post in a prominent and easily accessible place at the work site a clearly legible copy of the following: (1) The notice of registration for employer withholding issued to such transient employer by the director of revenue; (2) proof of coverage for workers' compensation insurance or self-insurance signed by the transient employer and verified by the department of revenue through the records of the division of the workers' compensation; and (3) the notice of registration for unemployment insurance issued to such transient employer by the division of employment security. Any transient employer failing to comply with these requirements shall,

under section 285.234 RSMo, be liable for a penalty of \$500 per day until the notices required by this section are posted as required by that statute.

- 2.28 **PERFORMANCE BOND.** A Performance Bond will be required if total bid amount exceeds \$24,999. The successful Bidder shall provide a Bond, Certified Check, Cashier's Check or Bank Money Order payable to the County of Cole for an amount equal to One Hundred Percent (100%) of the awarded portion of work before work is commenced guaranteeing the Contractor's performance of the work as specified and awarded. Said bond shall be in a form approved by the County and shall be by such company or companies as may be acceptable to the County in its sole and absolute discretion.
