- 1.2 **QUESTIONS, REQUESTS FOR CLARIFICATION OR INTERPRETATION.** Respondents are advised that all questions concerning the meaning or intent of these specifications must be submitted **IN WRITING** and received at least five (5) business days prior to the date scheduled for bid opening. It shall be the responsibility of the respondent to verify whether or not any addenda have been issued prior to submitting a bid response to Cole County.

All issued addenda are incorporated by reference as if fully set out herein. Respondents are cautioned that the only official position of Cole County is that which is issued by Cole County in these specifications or by addendum thereto. No other means of communication, whether written or oral, shall be construed as a formal or official response or statement. The County assumes no liability if a respondent fails to incorporate addenda into their bid. It is the intent of the County to contract for services to cover the towing and storage of abandoned vehicles which are left on county streets and roads as well as on public and private property in Cole County; tow County-owned vehicles; and tow and store evidentiary vehicles. The above number of vehicles is an estimate only; the actual number may be more or less.

This scope of work does NOT include vehicles involved in an accident or with mechanical problems.

- 3.2 **TERM OF CONTRACT.** It is the intent of Cole County to establish a one-year contract with the inclusion of an option for renewal under the same terms and conditions, if mutually agreeable to both parties, for up to two (2) additional one (1) year periods with an annual price adjustment allowance not to exceed three percent (3%). No pricing increase will be accepted without the written approval of the County. The initial contract start date will be determined after approval of the agreement by the Cole County Commission.

The contract shall terminate absolutely and without further obligation upon 30 days written notice by either party or at such time as appropriated funds are no longer available to satisfy the obligation of Cole County under the contract.
