- 1.1 **NOTIFICATION.** The purpose of this Request for Proposals (RFP) is to inform potential respondents of a bid opportunity to manage and administer a food service program for detainees of the Cole County Law Enforcement Center located at 350 East High Street, Jefferson City, Missouri. The jail has a maximum capacity of 206 persons with an average inmate population over the past 12 months of 148 persons (with no anticipated change) and approximately 10,500 meals served monthly. The successful respondent will be responsible for food procurement; food preparation; and maintaining staffing for all administrative and operational functions as described herein.

Respondents are responsible for being thoroughly familiar with all specifications and requirements of this solicitation. Failure to examine any relevant document or provision thereof will not relieve the successful respondent from any obligation under this bid. Qualified organizations are invited to prepare an offer in response to this document and in doing so, concur with all terms, conditions, specifications and addenda to this bid unless specifically noted otherwise in a separate section within their submission titled "EXCEPTIONS".

- 1.2 **MANDATORY FACILITY WALK-THROUGH.** A mandatory facility walk-through will be held at 9:30 a.m. Central on Wednesday, May 31 at the Cole County Law Enforcement Center (350 East High Street, Jefferson City, Missouri). Attendees shall meet in the front lobby of the main entrance. Attendance is a prerequisite for submitting a response to this solicitation and will be evidenced by the representative's signature on the attendance roster. This meeting will provide an opportunity for potential respondents to view the facilities and equipment available for use in carrying out this service and to seek clarification on the outlined requirements prior to submitting a response.
- 1.3 **QUESTIONS, REQUESTS FOR CLARIFICATION OR INTERPRETATION.** Respondents are advised that all questions concerning the meaning or intent of these specifications must be submitted **IN WRITING** and received at least five (5) business days prior to the date scheduled for bid opening. Jennifer Prenger
jprenger@colecouny.org

As of the issuance date of this solicitation and continuing until the final date for acceptance of submissions, **all respondents are specifically directed not to discuss, hold meetings, conferences, or technical discussions with any County employee for the purpose of responding to this solicitation except as otherwise permitted by this bid document.** Respondents should not otherwise ask any County officials or employees questions about the bid or related issues, either orally or by written communication. Respondents directly contacting other County employees risk elimination from further consideration.

- 1.4 **ISSUANCE OF ADDENDA.** Every attempt shall be made to ensure that all written questions receive an adequate and prompt response. However, in order to maintain a fair and equitable bid process, all respondents will be advised of any questions submitted, the County's response, and any other pertinent

information related to this solicitation via the issuance of addenda, which will be posted at www.colecounty.org. All issued addenda are incorporated by reference as if fully set out herein. Respondents are cautioned that the only official position of Cole County is that which is issued by Cole County in these specifications or by addendum/amendment thereto. No other means of communication, whether written or oral, shall be construed as a formal or official response or statement.

An addendum may contain information that could affect bid responses. It shall be the responsibility of the respondent to verify whether or not any addenda have been issued prior to submitting a bid response to Cole County. The County assumes no liability if a contractor fails to incorporate addenda into their bid. Failure to have requested an addendum covering any questions affecting the interpretation of these specifications shall not relieve the awarded party from delivering the completed project, product and/or service in accordance with the intent of these specifications.

Any exception will be evaluated and accepted or rejected by Cole County, whose decision shall be final and conclusive. In the absence of such declaration(s), the response shall be accepted as in strict compliance with all terms, conditions, and specifications requested and the awarded party shall be held responsible for providing the product or service accordingly.
