Re: Addendum Three to Cole County Bid No. 2017-15: Inmate Food Service

The following information hereby becomes part of the above-referenced Request for Bid and shall be fully considered in the preparation of your response.

1. During the walk-through, it was stated that the jail typically houses 35 - 50 federal inmates. Can you please confirm that statement is accurate; and does the County contract with the Feds fall within the Federal Wage Determination Act? Typically, if more than 20% of the inmates are federal inmates, Wage Determination would be in effect.

The stated estimate of 35-50 federal inmates is accurate.

The County's agreement with the Federal Government states that the Service Contract Act applies to its detention of federal prisoners. EO 13658 establishes a minimum wage of \$10.20.

2. Please provide the current sliding scale of prices.

This information can be found on the current contract that was provided as an attachment to Addendum Two.

The bid receipt date and time HAVE NOT BEEN CHANGED; submissions will be received until Friday, June 16 at 9:00 a.m. The deadline for questions is Friday, June 9.

I/We have received Addendum Number Three to Bid No. 2017-15 and have fully considered the information provided in preparing a response.
