Re: Addendum One to Cole County Bid No. 2017-31: Food Service Program

**The following information hereby becomes part of the above-referenced Request for Bid and shall be fully considered in the preparation of your response.**

1. The RFP indicates that “Names, dates of birth, social security numbers, driver’s license numbers, and fingerprint samples of all employees who may work within the facility are to be submitted to the County at least fourteen (14) days prior to the commencement of work.” Can the County please confirm that the employees will be submitting this information directly to the County, as opposed to the Contractor submitting this information?

**A: If the successful respondent prefers to have its potential employees for the Cole County facility submit this information directly to the County, this is acceptable. It shall remain the responsibility of the successful respondent to have adequate and approved kitchen staff upon contract commencement.**

2. The County indicates that the Service Contract Act applies, but does it apply to the food service contractor? If so, what wage determination applies?

**A: The Vendor will need to consult with its own counsel to determine what wages are required to be paid under the law as a federal service contract provider.**

3. Is it also the County’s position that the EO 13658 will apply to the food service contractor?

**A: The Vendor will need to consult with its own counsel to determine what wages are required to be paid under the law as a federal service contract provider.**

4. What percentage of the current inmate population comprises federal inmates?

**A: On average, the federal inmate population is ¼ of the total population.**

**The bid receipt date and time HAVE NOT BEEN CHANGED; submissions will be received until Thursday, July 27 at 4:00 p.m. The deadline for questions is Thursday, July 20.**

I/We have received Addendum Number One to Bid No. 2017-31 and have fully considered the information provided in preparing a response.
