RE: Health Insurance Marketplace Coverage Options

Dear Employees

Effective Jan. 1, 2014, the health care reform law created an online marketplace for purchasing health insurance coverage. This marketplace is referred to as a Health Insurance Marketplace, or an Exchange. In the Marketplace, you can find and compare different health insurance plans. You are not required to purchase insurance coverage through the Marketplace. The County is continuing to offer health coverage to eligible employees, as explained below.

The notice is being provided to help you understand the health insurance options that are available to you. Purchasing health insurance for yourself and your family is more important than ever. Starting in 2014, the health care reform law requires most individuals to be covered by health insurance or pay a penalty.

If you purchase coverage through a Marketplace, you may be eligible for a federal subsidy that lowers your monthly premiums or reduces your cost sharing. However, to receive these federal savings, you cannot be eligible for health plan coverage through the County that is 'affordable' and provides "minimum value." Also, keep in mind that you may only enroll in a health insurance plan through the Marketplace during an open enrollment period or a special enrollment period. The open enrollment period for Marketplace coverage during 2017 runs from Nov. 1, 2016, through Jan. 31, 2017.

The availability of coverage through the Marketplace does not affect your eligibility for coverage through the County's heath plan. The enclosed notice provides information about the Company's current health plan coverage. Please contact Debbie Malzner or Chelsea Kirchner in finance for additional information on the plan's coverage. If you purhase health insurance through the Marketplace instead of enrolling in the County's health plan, you may lose the County's contribution to the employer-sponsored health coverage. Also, while contributions to the County's health powerage are excluded from your income for tax purposes, your payments for Marketplace coverage are made on an after-fax basis.

More information on the health care reform law and the Marketplaces is available at www.healthcare.gov.

Sincerely

Debbie Malzner, Finance Director
