Re: Addendum One to Cole County Bid No. 2018-14: Abatement of Russellville Property, Removal of Solid Waste

The following information hereby becomes part of the above-referenced Request for Bid and shall be fully considered in the preparation of your response.

1. Q: Can you tell me what type of solid waste is to be removed, and any more details that you might have?

A: The abatement order is now linked. The majority of solid waste is bundled cardboard but there are pallets, tires and other solid waste present. Interested parties will have the opportunity to inspect the site at the time of the mandatory pre-bid meeting to determine the full extent of waste to be removed.

2. Q: What price range is the project?

A: Unknown; the price of the project will be determined by bidder responses.

The bid receipt date and time HAVE NOT BEEN CHANGED; submissions will be received until Friday, February 9 at 3:30 p.m. The deadline for questions is Friday, February 2.

I/We have received Addendum Number One to Bid No. 2018-14 and have fully considered the information provided in preparing a response.
