Re: Addendum Three to Cole County Bid No. 2018-21: Flooring Replacement

The following information hereby becomes part of the above-referenced Request for Bid and shall be fully considered in the preparation of your response.

1. Q: The bid documents do not specify a Manufacturer for the 20 mil vinyl plank flooring. Are we to bid any plank that meets the spec or was it to be a Mohawk style and then do an alternate for any other brands?

A: The vinyl flooring is to be a commercial grade, 20 mil minimum glue-down plank with a minimum 10-year commercial warranty. It shall be at the discretion of respondents to propose a suitable manufacturer/product.

The option for alternate(s) may be used by respondents to propose another product falling within the same parameters as stated above, or to propose a completely different product that, in their professional opinion, would be an appropriate and more desirable alternate (perhaps more budget-conscious or better suited) for the high-traffic healthcare environment in which it will be used. Any proposed alternate must carry a minimum 10-year commercial warranty.

**The bid receipt date and time HAVE NOT BEEN CHANGED; submissions will be received until Thursday, March 22 at 3:30 p.m. The deadline for questions is Thursday, March 15.**

I/We have received Addendum Number Three to Bid No. 2018-21 and have fully considered the information provided in preparing a response.
