Respondents are responsible for being thoroughly familiar with all specifications and requirements of this solicitation. Failure to examine any relevant document or provision thereof will not relieve the successful respondent from any obligation under this bid. Qualified organizations are invited to prepare an offer in response to this document and in doing so, concur with all terms, conditions, specifications and addenda to this bid unless specifically noted otherwise in a separate section within their submission titled "EXCEPTIONS."

- 1.2 **QUESTIONS, REQUESTS FOR CLARIFICATION OR INTERPRETATION.** Respondents are advised that all questions concerning the meaning or intent of these specifications must be submitted **IN WRITING** and received at least five (5) business days prior to the date scheduled for bid opening. As of the issuance date of this solicitation and continuing until the final date for acceptance of submissions, all respondents are specifically directed not to discuss, hold meetings, conferences, or technical discussions with any County employee for the purpose of responding to this solicitation except as explicitly permitted by this bid document. Respondents should not otherwise ask any County officials or employees questions about the bid or related issues, either orally or by written communication. Respondents directly contacting other County employees risk elimination from further consideration.

- 1.3 **ISSUANCE OF ADDENDA.** Every attempt shall be made to ensure that all written questions receive an adequate and prompt response. However, in order to maintain a fair and equitable bid process, all respondents will be advised of any questions submitted, the County's response, and any other pertinent information related to this solicitation via the issuance of addenda, which will be posted at www.colecounty.org. An addendum may contain information that could affect bid responses. It shall be the responsibility of the respondent to verify whether or not any addenda have been issued prior to submitting a bid response to Cole County.

All issued addenda are incorporated by reference as if fully set out herein. Respondents are cautioned that the only official position of Cole County is that which is issued by Cole County in these specifications or by addendum/amendment thereto. No other means of communication, whether written or oral, shall be construed as a formal or official response or statement. The County assumes no

liability if a contractor fails to incorporate addenda into their bid. Failure to have requested an addendum covering any questions affecting the interpretation of these specifications shall not relieve the awarded party from delivering the completed project, product and/or service in accordance with the intent of these specifications.

- submitted in a sealed envelope identified by bid number, bid title, and bid opening date/time;

Any exception will be evaluated and accepted or rejected by Cole County, whose decision shall be final and conclusive.
