REQUEST FOR BID

1.0 OVERVIEW

- 1.1 NOTIFICATION.** This document constitutes a request for competitive, sealed offers per the Terms and Conditions of bidding and any special conditions set forth herein for the provision of one (1) public safety drone and accessories.

Respondents are responsible for being thoroughly familiar with all specifications and requirements of this solicitation. Failure to examine any relevant document or provision thereof will not relieve the successful respondent from any obligation under this bid. Qualified organizations are requested to prepare an offer in response to this invitation and in doing so, concur with all terms, conditions, specifications and addenda to this bid unless specifically noted otherwise in a separate section titled “EXCEPTIONS” and certify that if awarded a contract, will make no claim against the County based upon unfamiliarity of or misunderstanding of the specifications.

- 1.2 QUESTIONS, REQUESTS FOR CLARIFICATION OR INTERPRETATION.** Respondents are advised that all questions concerning the meaning or intent of these specifications must be submitted **in writing** and received at least five (5) business days prior to the date scheduled for bid opening. All inquiries shall be directed to:

Jennifer Prenger
jprenger@colecounty.org

As of the issuance date of this invitation and continuing until the final date for acceptance of submissions, **all respondents or potential respondents are specifically directed not to discuss, hold meetings, conferences, or technical discussions with any County employee for the purpose of responding to this invitation except as otherwise permitted by this bid document.** Respondents should not otherwise ask any County official or employee questions about the bid or related issues, either orally or by written communication. Respondents directly contacting other County employees risk elimination from further consideration.

- 1.3 ISSUANCE OF ADDENDA.** Every attempt shall be made to ensure that all written questions receive an adequate and prompt response. However, in order to maintain a fair and equitable bid process, all respondents will be advised of any questions submitted, the County’s response, and any other pertinent information related to this invitation via the issuance of addenda, which will be posted at www.colecounty.org. All issued addenda are incorporated by reference as if fully set out herein. Respondents are cautioned that the only official position of the County is that which is issued in these specifications or by addendum thereto; no other means of communication, whether written or oral, shall be construed as a formal or official response or statement.

An addendum may contain information that could affect bid responses. It shall be the responsibility of the respondent to verify whether addenda have been issued prior to submitting an offer and to incorporate that information into their response; the County assumes no liability for respondents’ failure to do so. Further, failure to have requested an addendum covering any questions affecting the

interpretation of these specifications shall not relieve the awarded party from delivering the completed project, product and/or service in accordance with the intent of these specifications.

- 1.4 **BID OPENING.** Submissions will be publicly opened in the Cole County Commission Chambers at 311 East High Street, Room 200, Jefferson City, Missouri on Friday, November 16 at 11:00 a.m. Central. Respondents and the public are invited but not required to attend the formal bid opening. All documents will be made available for public inspection, but no decision relating to the award of the contract or agreement will be made at the bid opening.
- 1.5 **ADVICE OF AWARD.** Upon bid award, notification letters with a bid tabulation summarizing responses received will be sent via email to all parties that submitted a response to this invitation.

2.0 TERMS AND CONDITIONS

- 2.1 **INCURRING COSTS.** Cole County shall not pay for any information requested herein nor be obligated or liable for any cost incurred by any respondent in submitting a response.
- 2.2 **RESERVATIONS.** The right is hereby reserved to reject any or all submissions for any reason, in part or in whole, received in response to this solicitation; to waive or not waive informalities or irregularities in any response or the bidding procedures; to request supplementary information from respondents as determined necessary to effectively evaluate responses; to cancel this solicitation, advertise for new and/or purchase off of cooperative purchasing contract(s); and to accept, request clarification or further negotiate the terms, conditions and/or methodology of any response if, in Cole County's sole judgment, the best interests of Cole County will be so served.
- 2.3 **MODIFICATION/WITHDRAWAL.** Receipt of written notice or an in-person request from a properly identified individual prior to the official date and time set for bid opening must occur in order to modify or withdraw a submission which has been delivered to the office of the Cole County Commission.
- 2.4 **VALIDITY.** Respondents agree that submissions will remain valid for consideration by the County for a minimum period of ninety (90) calendar days after the date specified for bid opening.
- 2.5 **RESPONSE MATERIAL OWNERSHIP.** All material submitted in response to this solicitation becomes the property of Cole County and may be disclosed upon proper Sunshine Law request per 610.021(12) RSMo.
- 2.6 **EXCEPTIONS.** The wording of this solicitation may not be changed or altered in any manner. Taking exception to any clause in part or in whole does not necessarily disqualify a respondent. Any such exception shall be clearly identified and described in full detail in the respondent's submission. Exceptions will be evaluated and accepted or rejected by Cole County, whose decision shall be final and conclusive. In the absence of such declaration(s), the response shall be accepted as in strict compliance with all terms, conditions, and specifications requested and the awarded party shall be held responsible for providing the product or service accordingly.
- 2.7 **RESTRICTIVE LANGUAGE.** It shall be the responsibility of respondents to ask questions, request changes or clarification, or otherwise advise Cole County if any language, specification or requirement of this solicitation appears to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit responses to a single source. Such notification must be directed to the Purchasing Agent and received at least five (5) business days prior to the date set for bid opening.

- 2.8 **INTERPRETATION.** If a respondent has any questions which arise concerning the true meaning or intent of these bid documents, plans or any part thereof which affect the cost, quality, quantity, or character of the project or service, respondent shall request in writing that an interpretation be made and an addendum be issued which shall then be posted at www.colecounty.org. Failure to have requested an addendum covering any questions affecting the interpretations of the bid documents shall not relieve the successful respondent from delivering the product, service or completed project in accordance with the intent of the bid documents. Should any differences arise as to the meaning or intent of these specifications, Cole County's interpretation shall be final and conclusive.
- 2.9 **EQUIVALENT MATERIAL/EQUIPMENT.** Any listed manufacturer/model number(s) or a definite reference to a particular material or piece of equipment is intended to establish a minimally acceptable design, type, quality, functional capacity, and/or desired performance level. It is to be understood that any equivalent alternate which will perform adequately the duties imposed by the general design may be proposed and bid so long as sufficient details necessary to establish equivalency are included in the submission. Acceptance is subject to approval of the County which may request further information, sample(s) and/or a demonstration prior to bid award. Cole County shall be the sole judge of equivalency.
- 2.10 **LIKE OR SIMILAR PRODUCT.** Cole County reserves the right, at its sole discretion, to obtain "like or similar" product(s) and/or service(s) to that which has been specified herein when use of such product or service is deemed in the best interest of the County of Cole
- 2.11 **BID FORMS.** Bids made on anything other than the official bid form(s), if furnished by Cole County, will render the bid informal and may cause its rejection.
- 2.12 **QUALIFICATIONS OF RESPONDENTS.** Cole County may make such investigations as deemed necessary to determine the ability of any respondent to provide the product and/or service described herein. Respondent shall furnish to the County all such information and data for this purpose that the County may request. The County reserves the right to reject any submission if the evidence submitted by the respondent or investigation of such respondent fails to satisfy the County that such respondent is properly qualified to carry out the obligations of the contract and/or to complete the work contemplated herein.
- 2.13 **PRICES.** Prices must be stated in units of quantity specified and must be firm. Pricing submitted shall include all cost, of whatever nature, that is involved in achieving the good or service per the bid documents.
- 2.14 **TAX EXEMPTION.** Cole County is funded by public monies and as such has been approved by the State of Missouri for sales/use tax-exempt status. The Missouri tax identification number and certificate is available to the successful respondent upon request.
- 2.15 **ACCEPTANCE.** No equipment, supplies, materials and/or services received by Cole County pursuant to this solicitation shall be deemed accepted until the County has had reasonable opportunity to inspect. Cole County reserves the right to reject anything that does not comply with reasonable expectations based on the specifications outlined herein.
- 2.16 **DELIVERY.** The delivery date(s) or when work will start shall be stated in definite terms as they may be taken into consideration when making award. Cole County reserves the right to cancel all or any part of an order or service if delivery is not made or work not started as guaranteed.
- 2.17 **DEFAULT.** The County reserves the right to cancel any or all of an order or contract if delivery is not made or work is not started as guaranteed. In case of delay, the Contractor must contact the County to notify of said delay and arrange an alternate schedule if agreeable to the County. In case of

default by the bidder or contractor, the County may procure the articles or services from other sources and hold the bidder or contractor responsible for any excess cost occasioned thereby.

- 2.18 **APPLICABLE LAW.** In submitting a bid, the respondent warrants that it has complied with all applicable laws, rules and ordinances of the United States, Missouri or any other governmental authority or agency in providing the product(s) or service(s) specified herein. Any contract resulting from this solicitation is to be interpreted by the laws of Missouri. The parties agree that the proper forum for litigation arising out of the contract resulting from this solicitation is Cole County, Missouri.
- 2.19 **SHIPPING.** Deliveries shall be F.O.B. destination freight prepaid to Jefferson City, Missouri and included in pricing.
- 2.20 **AS NEEDED, IF NEEDED.** The contractor shall provide product or service on an “as needed, if needed” basis for Cole County in accordance with the provisions and requirements stated herein. Any usage quantities included in this request are based on estimated need; Cole County reserves the right to increase or decrease quantities to meet actual needs and maintain the quoted pricing.
- 2.21 **EVALUATION.** The County’s sole purpose in the evaluation process is to determine from among the responses received which one is best suited to meet the County’s needs at the lowest possible cost. Any final analysis or weighted point score does not imply that one Bidder is superior to another, but simply that in our judgment the Contractor selected appears to offer the best overall solution for our current and anticipated needs at the lowest possible cost.
- 2.22 **BASIS OF AWARD.** Award shall be made to the lowest responsible bidder whose offer best responds to the quality, capacity, and service requirements of Cole County, as determined by the County.
- 2.23 **SUCCESSFUL RESPONSE AS PART OF CONTRACT.** Submissions received in response to this solicitation, at the County’s discretion, may be incorporated into the awarded contract and may serve as basic terms and conditions for the ultimate contract. Therefore, applicants are advised that, if successful, they will be held responsible for level of service proposed at the funding levels quoted. The County reserves the right to not execute a contract following this solicitation and to negotiate modifications or revisions to any awarded contract.
- 2.24 **ASSIGNMENT.** The selected company shall not assign the Contract, subcontract it, or sublet it as a whole without the prior written consent of Cole County. Assignment, subcontracting, or subletting without such consent will in no way relieve the company of its obligations under this Contract unless specifically stated in writing by the County.
- 2.25 **PREFERENCE.** In making bid awards, Cole County shall give preference to all firms, corporations, or individuals that maintain office or places of business within the County of COLE when the quality of the commodity or performance promised is equal or better and the price quoted is the same or less.
- 2.26 **CHANGE ORDERS.** The final contract between Cole County and the successful respondent will include, by reference, the awarded party’s response and the specifications of this invitation. The County may make changes within the general scope of these specifications and/or the contract resulting from this solicitation, yet all departures from the accepted plans and specifications will be considered unauthorized unless the awarded party has obtained a change order, signed by Cole County, authorizing and directing such changes or departures. All unauthorized work, and the correction of such work, shall be at the successful respondent expense. No other individual is authorized to modify the contract in any manner.

2.27 **COLLUSION CLAUSE.** Any agreement or collusion among Respondents and prospective Respondents to illegally restrain freedom of competition by agreement to fix prices, or otherwise, will render the offers of such Respondents void.

2.28 **INDEMNITY AGREEMENT.** To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend the County, its directors, officers, agents, and employees from and against all claims, damages, losses and expenses (including but not limited to attorney's fees) arising by reason of any act or failure to act, negligent or otherwise, of Contractor, of any subcontractor (meaning anyone, including but not limited to consultants having a contract with contractor or a subcontract for part of the services), of anyone directly or indirectly employed by contractor or by any subcontractor, or of anyone for whose acts the contractor or its subcontractor may be liable, in connection with providing these services. This provision does not, however, require contractor to indemnify, hold harmless, or defend the County of Boone from its own negligence.

Nothing in these requirements shall be construed as a waiver of any governmental immunity of the County, its officials nor any of its employees in the course of their official duties. Failure to maintain the required insurance in force may be cause for contract termination. In the event the Agency/Service fails to maintain and keep in force the required insurance or to obtain coverage from its subcontractors, the County shall have the right to cancel and terminate the contract without notice.

2.29 **COMPLIANCE WITH EMPLOYMENT LAWS.** In connection with the furnishing of supplies or performance of work under this Contract, the company agrees to comply with the Fair Labor Standard Act, Fair Employment Practices, Equal Opportunity Employment Act, and all other applicable Federal and State laws and further agrees to insert the foregoing provisions in all subcontracts awarded hereunder. Respondents are informed pursuant to Section 285.530, RSMo, as a condition of the award of any contract in excess of five thousand dollars (\$5000.00), the successful bidder shall, by sworn affidavit and the provision of documentation, affirm its enrollment and participation in a federal work authorization program with respect to the employees working in connection to the contracted services. Successful Respondents shall also sign an affidavit affirming that it does not knowingly employ any person who is an unauthorized alien in connection to the contracted services.

2.30 **COOPERATIVE PROCUREMENT.** Respondents may choose whether or not to participate in cooperative purchasing. Various State Agencies, City, and County Offices may or may not request an unknown quantity of goods or services under this bid during the bid period or resulting agreement period at the same prices, terms and conditions stated herein.

It is agreed and understood that each participating political subdivision will make its own separate contract with the successful respondent, that each participating political subdivision shall only be liable to the successful respondent for materials or supplies contracted for by that political subdivision without any liability for purchases contracted for by any other participating political subdivision, and each successful respondent shall be required to bill each participating political subdivision directly for those materials or supplies for which it has purchased.

In the event of any dispute between a political subdivision and a successful bidder arising after a contract of purchase has been executed, such dispute shall be handled by and between the particular political subdivision affected and the contractor.
