

The most important thing travelers can do to help decrease the spread of COVID-19 is to adhere to social distancing requirements and proper hygiene practices.

Social Distancing

- Individuals shall adhere to all social distancing requirements and maintain at least six (6') feet from others.
- Stay home as much as possible and try to limit travel to only essential errands or travel.
- Take extra precautions when in public places and use a cloth face covering when close contact cannot be avoided.
- Limit your in-person visits. Use online services, phone calls, or e-mail, when possible.

Cleanliness

- Exercise proper hygiene practices.
 - Wash your hands often with soap and water for at least twenty (20) seconds. Use alcohol-based hand sanitizer if soap and water is not available.
 - Avoid touching your eyes, nose, and mouth with unwashed hands.
 - Avoid close contact with people who are sick.
 - Stay home when you are sick.
 - Cover your cough or sneeze.
 - Clean and disinfect frequently touched objects and surfaces.
- Clean your hand after using gasoline handles and buttons by washing your hands with soap and water for at least twenty (20) seconds or using an alcohol-based hand sanitizer.
- Try to avoid handling money and use touchless payments, if possible.
