The most important thing travelers can do to help decrease the spread of COVID-19 is to adhere to social distancing requirements and proper hygiene practices.

Social Distancing

• Individuals shall adhere to all social distancing requirements and maintain at least six (6’) feet from others.

• Stay home as much as possible and try to limit travel to only essential errands or travel.

• Take extra precautions when in public places and use a cloth face covering when close contact cannot be avoided.

• Limit your in-person visits. Use online services, phone calls, or e-mail, when possible.

Cleanliness

• Exercise proper hygiene practices.
  • Wash your hands often with soap and water for at least twenty (20) seconds. Use alcohol-based hand sanitizer if soap and water is not available.
  • Avoid touching your eyes, nose, and mouth with unwashed hands.
  • Avoid close contact with people who are sick.
  • Stay home when you are sick.
  • Cover your cough or sneeze.
  • Clean and disinfect frequently touched objects and surfaces.

• Clean your hand after using gasoline handles and buttons by washing your hands with soap and water for at least twenty (20) seconds or using an alcohol-based hand sanitizer.

• Try to avoid handling money and use touchless payments, if possible.
