Re: Addendum Two to Cole County Bid No. 2020-16; Roof Replacements – Health Department & Law Enforcement Center

The following information hereby becomes part of the above-referenced Request for Bid and shall be fully considered in the preparation of your response.

- 1. Will the contractor be required to install a protection layer between the roof and the Lighting Protection wires running on the roof?**
 - No, as long as it doesn't void any warranty.
- 2. During the site visit it was stated we could use Edge metal in place of the coping cap. Can we do this for both buildings?**
 - No, Edge metal is only at the Health Department.
- 3. Will the standing seam roofs be replaced on the Health Department Building?**
 - Yes.
- 4. Will the metal roofs be replaced on the Law Enforcement building?**
 - No.

The bid receipt date and time HAVE NOT been changed; submissions will be received until Thursday, June 4th at 3:00 pm.

I/We have received Addendum Number Two to Bid No. 2020-16 and have fully considered the information provided in preparing a response.
