Re: Addendum Four to Cole County Bid No. 2022-20: Land Records Software Management & Imaging System

The following information hereby becomes part of the above-referenced Request for Bid and shall be fully considered in the preparation of your response.

1. Are we to assume that your current vendor is providing workstation, monitors, scanners, printers, label printers, cashiering drawers, and file servers? If so, do you want the new vendor to provide these or will you purchase these through your IT vendor?
 - Include the pricing for equipment on the Bidder Response Form. The County will decide to either purchase through our IT department or through the vendor.

The bid receipt date and time HAVE NOT CHANGED; submissions will be received until Thursday, May 26th at 3:00 p.m.

I/We have received Addendum Number Four to Bid No. 2022-20 and have fully considered the information provided in preparing a response.
