

“Getting Ahead in a Just-Gettin’ By World”

The 10-week experience

New classes start

June 2022-- spots are limited!

Getting Ahead is an incredible 10-week program that encourages participants to build resources and create a plan for getting out of poverty and “getting ahead”. Through group activities and discussions, we investigate:

- Causes of poverty
- Hidden Rules of class
- Resources to improve life situations
- Strategies for writing our own futures

No one teaches Getting Ahead, instead we learn from one another by sharing experiences, participate in problem solving discussions and explore ways to strengthen our community by helping people move out of poverty.

Consider taking this step-by-step journey towards your future story.

“Getting Ahead” participants receive:

- Workbook and meeting materials
- Cash stipend to cover transportation/childcare needs
- Snacks during class
- Support throughout the entire 10 weeks from our Resource Coordinator
- A graduation upon completion of the class, including certificate

Participants are expected to commit to all 10 classes prior to joining the class.
