The selected contractor will be responsible for providing a turnkey solution that meets the heating, ventilation, and air conditioning needs of our facility.

Respondents are responsible for being thoroughly familiar with all specifications and requirements of this solicitation. Failure to examine any relevant document or provision thereof will not relieve the successful respondent from any obligation under this bid. Qualified organizations are invited to prepare an offer in response to this document and in doing so, concur with all terms, conditions, specifications and addenda to this bid unless specifically noted otherwise in a separate section titled "EXCEPTIONS" within their submission.

**1.2 MANDATORY PRE-BID MEETING.** A mandatory pre-bid meeting will begin at 9:00 am Central on Wednesday, March 12th at the Cole County Maintenance Building located at 209 Adams Street, Jefferson City, Mo 65101. Attendance is a prerequisite for submitting a response to this invitation and will be evidenced by the representative's signature on the attendance roster. This meeting will provide an opportunity for potential respondents to view the sites of work, ask questions and seek clarification on the outlined requirements prior to submitting a response. Attendees will be responsible for supplying any and all tools and equipment necessary for project evaluation.

**1.3 QUESTIONS, REQUESTS FOR CLARIFICATION OR INTERPRETATION.** Respondents are advised that all questions concerning the meaning or intent of these specifications must be submitted **IN WRITING** and received at least five (5) business days prior to the date scheduled for bid opening. All inquiries shall be directed to:

**Jessica Bryant**  
**[jbryant@colecounty.org](mailto:jbryant@colecounty.org)**

As of the issuance date of this solicitation and continuing until the final date for acceptance of submissions, all respondents are specifically directed not to discuss, hold meetings, conferences, or technical discussions with any County employee for the purpose of responding to this solicitation except as otherwise permitted by this bid document. Respondents should not otherwise ask any County officials or employees questions about the bid or related issues, either orally or by written communication. Respondents directly contacting other County employees risk elimination from further consideration.

**1.4 ISSUANCE OF ADDENDA.** Every attempt shall be made to ensure that all written questions receive an adequate and prompt response. However, in order to maintain a fair and equitable bid process, all respondents will be advised of any questions submitted, the County's response, and any other pertinent information related to this solicitation via the issuance of addenda, which will be posted at

[www.colecounty.org](http://www.colecounty.org). An addendum may contain information that could affect bid responses. It shall be the responsibility of the respondent to verify whether or not any addenda have been issued prior to submitting a bid response to Cole County.

All issued addenda are incorporated by reference as if fully set out herein. Respondents are cautioned that the only official position of Cole County is that which is issued by Cole County in these specifications or by addendum thereto. No other means of communication, whether written or oral, shall be construed as a formal or official response or statement. The County assumes no liability if a respondent fails to incorporate addenda into their bid. Failure to have requested an addendum covering any questions affecting the interpretation of these specifications shall not relieve the awarded party from delivering the completed project, product and/or service in accordance with the intent of these specifications.

**2.30 RESERVATIONS.** The right is hereby reserved to reject any or all submissions for any reason, in part or in whole, received in response to this solicitation; to waive or not waive informalities or irregularities in any response or the bidding procedures; to request supplementary information from respondents as determined necessary to effectively evaluate responses; to cancel this solicitation, advertise for new and/or purchase off of cooperative purchasing contract(s); and to accept, request clarification or further negotiate the terms, conditions and/or methodology of any response if, in Cole County's sole judgment, the best interests of Cole County will be so served.

- 2.30 **EXCEPTIONS.** The wording of this solicitation may not be changed or altered in any manner. Changes, additions or limiting provisions made on the invitation will render the bid informal and may cause its rejection. Taking exception to any clause in part or in whole does not necessarily disqualify a respondent; any such exception shall be clearly identified and described in full detail in the respondent's submission on a separate page clearly titled "EXCEPTIONS." Any exception will be evaluated and accepted or rejected by Cole County, whose decision shall be final and conclusive. In the absence of such declaration(s), the response shall be accepted as in strict compliance with all terms, conditions, and specifications requested and the awarded party shall be held responsible for providing the product or service accordingly.
- 2.30 **RESTRICTIVE LANGUAGE.** It shall be the responsibility of respondents to ask questions, request changes or clarification, or otherwise advise Cole County if any language, specification or requirement of this solicitation appear to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit responses to a single source. Such notification must be directed to the Purchasing Agent and received at least five (5) business days prior to the date set for bid opening.
- 2.30 **INTERPRETATION.** If the bidder has any questions which arise concerning the true meaning or intent of the Plans, Specifications or any part thereof, which affect the cost, quality, quantity, or character of the project or service, he shall request in writing that an interpretation be made and an addendum be issued which shall then be posted at [www.colecounty.org](http://www.colecounty.org). Failure to have requested an addendum covering any questions affecting the interpretations of the Plans and Specifications shall not relieve the successful respondent from delivering the product, service or completed project in accordance with the intent of the Plans and Specifications. Should any differences arise as to the meaning or intent of these specifications, Cole County's interpretation shall be final and conclusive.
- 2.30 **EQUIVALENT MATERIAL/EQUIPMENT.** Any listed manufacturer/model number(s) or a definite reference to a particular item or piece of equipment is intended to establish a minimally acceptable design, type, quality, functional capacity, and/or desired performance level. It is to be understood that any equivalent alternate which will perform adequately the duties imposed by the general design may be proposed and bid so long as sufficient details necessary to establish equivalency are included in the submission. Acceptance is subject to approval of the County which may request further information, sample(s) and/or a demonstration prior to bid award. Cole County shall be the sole judge of equivalency.
- 2.30 **LIKE OR SIMILAR PRODUCT.** Cole County reserves the right, at its sole discretion, to obtain like or similar product(s) to that which has been specified herein when use of such product is deemed in the best interest of the County.

respondent or investigation of such respondent fails to satisfy the County that such respondent is properly qualified to carry out the obligations of the contract and/or to complete the work contemplated herein.

- 2.30 **PRICES.** Prices must be stated in units of quantity specified and must be firm. Price submitted for each item shall include all cost, of whatever nature, that is involved in achieving the good or service per the Specifications. Bids qualified by escalator clauses may not be considered.

In case of delay, the Contractor must contact the County to notify of said delay and arrange an alternate schedule if agreeable to the County.
- 2.30 **DELIVERY.** The delivery date(s) or when work will start shall be stated in definite terms as they may be taken into consideration when making award. Cole County reserves the right to cancel all or any part of an order if delivery is not made or work not started as guaranteed.

- 2.30 **AS NEEDED, IF NEEDED.** The contractor shall provide product or service on an "as needed, if needed" basis for Cole County in accordance with the provisions and requirements stated herein. The resulting contract does not guarantee that all purchases of this nature will go to the successful respondent(s), but rather establishes a primary vendor. Any usage quantities included in this request are based on estimated need; Cole County reserves the right to increase or decrease quantities to meet actual needs and maintain the quoted pricing.
- 2.30 **ASSIGNMENT.** The awarded party shall not assign the Contract, subcontract, or sublet it as a whole without the prior written consent of Cole County. Assignment, subcontracting, or subletting without

such consent will in no way relieve the awarded party of any of its obligations under this Contract unless specified, in writing, by Cole County.

- 2.30 **EVALUATION.** The County's sole purpose in the evaluation process is to determine from among the responses received which one is best suited to meet the County's needs at the lowest possible cost.
