An addendum may contain information that could affect bid responses. It shall be the responsibility of the respondent to verify whether addenda have been issued prior to submitting an offer and to incorporate that information into their response; the County assumes no liability for respondents' failure to do so. Further, failure to have requested an addendum covering any questions affecting the interpretation of these specifications shall not relieve the awarded party from delivering the completed project, product and/or service in accordance with the intent of these specifications.

- 2.22 **EVALUATION.** The County's sole purpose in the evaluation process is to determine from among the responses received which one is best suited to meet the County's needs at the lowest possible cost. Any final analysis or weighted point score does not imply that one Bidder is superior to another, but simply that in our judgment the Contractor selected appears to offer the best overall solution for our current and anticipated needs at the lowest possible cost.
- 2.23 **BASIS OF AWARD.** Award shall be made to the lowest responsible bidder(s) whose offer best responds to the quality, capacity, and service requirements of Cole County, as determined by the County. Award may be made on an item-by-item basis to the lowest and best bids or award may be made to the lowest and best bid overall, whichever the County determines is in its best interest. A staff recommendation will be made to the Cole County Commission who will ultimately make the award decision. The County also may choose to award the whole project or one of the three or two of the three projects.
- 2.24 **SUCCESSFUL RESPONSE AS PART OF CONTRACT.** Responses received in response to this solicitation, at the County's discretion, may be incorporated into the awarded contract and may serve

as basic terms and conditions for the ultimate contract. Therefore, applicants are advised that, if successful, they will be held responsible for levels of services proposed at the funding levels quoted. The County reserves the right to not execute a contract following this solicitation and to negotiate modifications or revisions to any awarded contract.

- 2.25 **ASSIGNMENT.** The selected company shall not assign the Contract, subcontract it, or sublet it as a whole without the prior written consent of Cole County. Assignment, subcontracting, or subletting without such consent will in no way relieve the company of its obligations under this Contract unless specifically stated in writing by the County.
- 2.26 **PREFERENCE.** In making bid awards, Cole County shall give preference to all firms, corporations, or individuals that maintain office or places of business within the County of COLE when the quality of the commodity or performance promised is equal or better and the price quoted is the same or less.
- 2.27 **CHANGE ORDERS.** The final contract between Cole County and the successful respondent will include, by reference, the awarded party's response and the specifications of this invitation. The County may make changes within the general scope of these specifications and/or the contract resulting from this solicitation, yet all departures from the accepted plans and specifications will be considered unauthorized unless the awarded party has obtained a change order, signed by the Cole County Commission, authorizing and directing such changes or departures. All unauthorized work, and the correction of such work, shall be at the successful respondent expense. No other individual is authorized to modify the contract in any manner.
- 2.28 **COLLUSION CLAUSE.** Any agreement or collusion among Respondents and prospective Respondents to illegally restrain freedom of competition by agreement to fix prices, or otherwise, will render the proposals of such Respondents void.
- 2.29 **INSURANCE REQUIREMENTS.** The successful respondent (Contractor) shall provide and maintain for the duration of the contract, through final acceptance by the County, insurance acceptable to and approved by Cole County. A Certificate of Insurance which shall provide that there will be no cancellation, non-renewal or reduction of coverage without 30 days prior written notice to the County is to be furnished within fifteen (15) calendar days following the notice of award and prior to work proceeding under this contract. Further, the Contractor shall not allow any subcontractor to commence work on their subcontract until all similar insurance required of subcontractor has been so obtained and approved. All policies shall be in amounts, form and companies satisfactory to the County as follows:
- 2.29.1 **EMPLOYERS LIABILITY AND WORKERS COMPENSATION INSURANCE.** The Contractor shall take out and maintain during the life of this contract, Employers Liability and Workers Compensation Insurance for all of its employees employed at the site of work, and in case any work is sublet, the Contractor shall require the subcontractor similarly to provide Workers Compensation Insurance for all of the latter's employees unless such employees are covered by the protection afforded by the Contractor. Workers Compensation coverage shall meet Missouri statutory limits. Employers Liability limits shall be \$500,000.00 each employee, \$500,000.00 each accident, and \$500,000.00 policy limit. In case any class of employees engaged in hazardous work under this Contract at the site of the work is not protected under the Workers Compensation Statute, the Contractor shall provide and shall cause each subcontractor to provide Employers Liability Insurance for the protection of their employees not otherwise protected.
- 2.29.2 **COMMERCIAL GENERAL LIABILITY INSURANCE.** The Contractor shall take out and maintain during the life of this contract, such commercial general liability insurance as shall

protect it and any subcontractor performing work covered by this contract, from claims for damages for personal & advertising injury, bodily injury including accidental death, as well as from claims for property damages, which may arise from operations under this contract, whether such operations be by themselves or for any subcontractor or by anyone directly or indirectly employed by them. The amounts of insurance shall be not less than \$2,000,000.00 combined single limit for any one occurrence covering both bodily injury and property damage, including accidental death. If the Contract involves any underground/digging operations, the general liability certificate shall include X, C, and U (Explosion, Collapse, and Underground) coverage. If providing Commercial General Liability Insurance, then the Proof of Coverage of Insurance shall also be included.

Contractor may satisfy the minimum liability limits required for Commercial General Liability or Business Auto Liability under an Umbrella or Excess Liability policy. There is no minimum per occurrence limit of liability under the umbrella or Excess Liability; however, the Annual Aggregate limit shall not be less than the highest "Each Occurrence" limit for either Commercial General Liability or Business Auto Liability.

Contractor agrees to include the County as an Additional Insured on the umbrella or Excess Liability, unless the Certificate of Insurance state the Umbrella or Excess Liability provides coverage on a "Follow-Form" basis

2.29.3 **BUSINESS AUTOMOBILE LIABILITY.** The Contractor shall maintain during the life of this contract, automobile liability insurance in the amount of not less than \$2,000,000.00 combined single limit for any one occurrence, covering both bodily injury, including accidental death, and property damage, to protect themselves from any and all claims arising from the use of the Contractor's own automobiles, teams and trucks; hired automobiles, teams and trucks; non-owned and both on and off the site of work.

2.29.4 **SUBCONTRACTORS.** Contractor shall cause each Subcontractor to purchase and maintain insurance of the types and amounts specified herein. Limits of such coverage may be reduced only upon written agreement of County. Contractor shall provide to County copies of certificates of insurance evidencing coverage for each Subcontractor. Subcontractors' commercial general liability and business automobile liability insurance shall name County as Additional Insured and have the Waiver of Subrogation endorsements added.

2.30 **INDEMNITY AGREEMENT.** To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend the County, its directors, officers, agents, and employees from and against all claims, damages, losses and expenses (including but not limited to attorney's fees) arising by reason of any act or failure to act, negligent or otherwise, of Contractor, of any subcontractor (meaning anyone, including but not limited to consultants having a contract with contractor or a subcontract for part of the services), of anyone directly or indirectly employed by contractor or by any subcontractor, or of anyone for whose acts the contractor or its subcontractor may be liable, in connection with providing these services. This provision does not, however, require contractor to indemnify, hold harmless, or defend the County of Boone from its own negligence.

Nothing in these requirements shall be construed as a waiver of any governmental immunity of the County, its officials nor any of its employees in the course of their official duties. Failure to maintain the required insurance in force may be cause for contract termination. In the event the Agency/Service fails to maintain and keep in force the required insurance or to obtain coverage from its subcontractors, the County shall have the right to cancel and terminate the contract without notice.

- 2.31 **COMPLIANCE WITH EMPLOYMENT LAWS.** In connection with the furnishing of supplies or performance of work under this Contract, the company agrees to comply with the Fair Labor Standard Act, Fair Employment Practices, Equal Opportunity Employment Act, and all other applicable Federal and State laws and further agrees to insert the foregoing provisions in all subcontracts awarded hereunder. Successful Respondents shall also sign an affidavit affirming that it does not knowingly employ any person who is an unauthorized alien in connection to the contracted services.
- 2.32 **ANTI-DISCRIMINATION AGAINST ISRAEL ACT.** The contractor certifies that it is not currently engaged in and shall not, for the duration of the contract, engage in a boycott of goods or services from the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the law of the State of Israel; or persons or entities doing business in the State of Israel.
- 2.33 **COOPERATIVE PROCUREMENT.** Respondents may choose whether or not to participate in cooperative purchasing. Various State Agencies, City, and County Offices may or may not request an unknown quantity of goods or services under this bid during the bid period or resulting agreement period at the same prices, terms and conditions stated herein.

It is agreed and understood that each participating political subdivision will make its own separate contract with the successful respondent, that each participating political subdivision shall only be liable to the successful respondent for materials or supplies contracted for by that political subdivision without any liability for purchases contracted for by any other participating political subdivision, and each successful respondent shall be required to bill each participating political subdivision directly for those materials or supplies for which it has purchased.

In the event of any dispute between a political subdivision and a successful bidder arising after a contract of purchase has been executed, such dispute shall be handled by and between the particular political subdivision affected and the contractor.

2.34 **CONTRACT TERMINATION.**

2.34.1 **TERMINATION FOR DEFAULT.** If, through any cause, the awarded party shall fail to fulfill, in a timely and proper manner, its obligations under the contract resulting from this solicitation, or if the awarded party shall violate any of the covenants, agreements, or stipulations of said contract, Cole County shall thereupon have the right to terminate this contract for cause by giving written notice to the awarded party of its intent to terminate and at least ten (10) calendar days to cure the default or show cause why termination is otherwise not appropriate. In the event of termination, all finished or unfinished documents, data, studies, survey, drawings, maps, models, photographs, and reports or other material prepared by the awarded party under this contract shall, at the option of Cole County, become its property, and the awarded party shall be entitled to receive just and equitable compensation for any services and supplies delivered and accepted. Notwithstanding, the awarded party shall not be relieved of liability to Cole County any damages sustained by the County by virtue of any breach of the contract by the awarded party, and the County may withhold any payment to the awarded party for the purpose of

mitigating its damages until such time as the exact amount of damages due the County from the awarded party is determined.

If after such termination it is determined, for any reason, that the awarded party was not in default, or that the awarded party's action/inaction was excusable, such termination shall be treated as a termination for convenience.

2.34.2 TERMINATION FOR CONVENIENCE. The performance of work under the contract resulting from this solicitation may be terminated by Cole County in whole or in part at such time that the Cole County Commission determines that such termination is in the best interest of Cole County. Any such termination will be affected by delivery to the awarded party of a letter of termination specifying the extent to which performance of work under the contract is terminated and the date upon which such termination is effective.

After receipt of a termination letter the awarded party will:

It is further provided that Contractor shall not be charged with liquidated damages because of delays in the completion of the work due to unforeseeable causes beyond Contractor's control and without fault or negligence on Contractor's part or the part of its agents.
